LIVE MORE VESPA

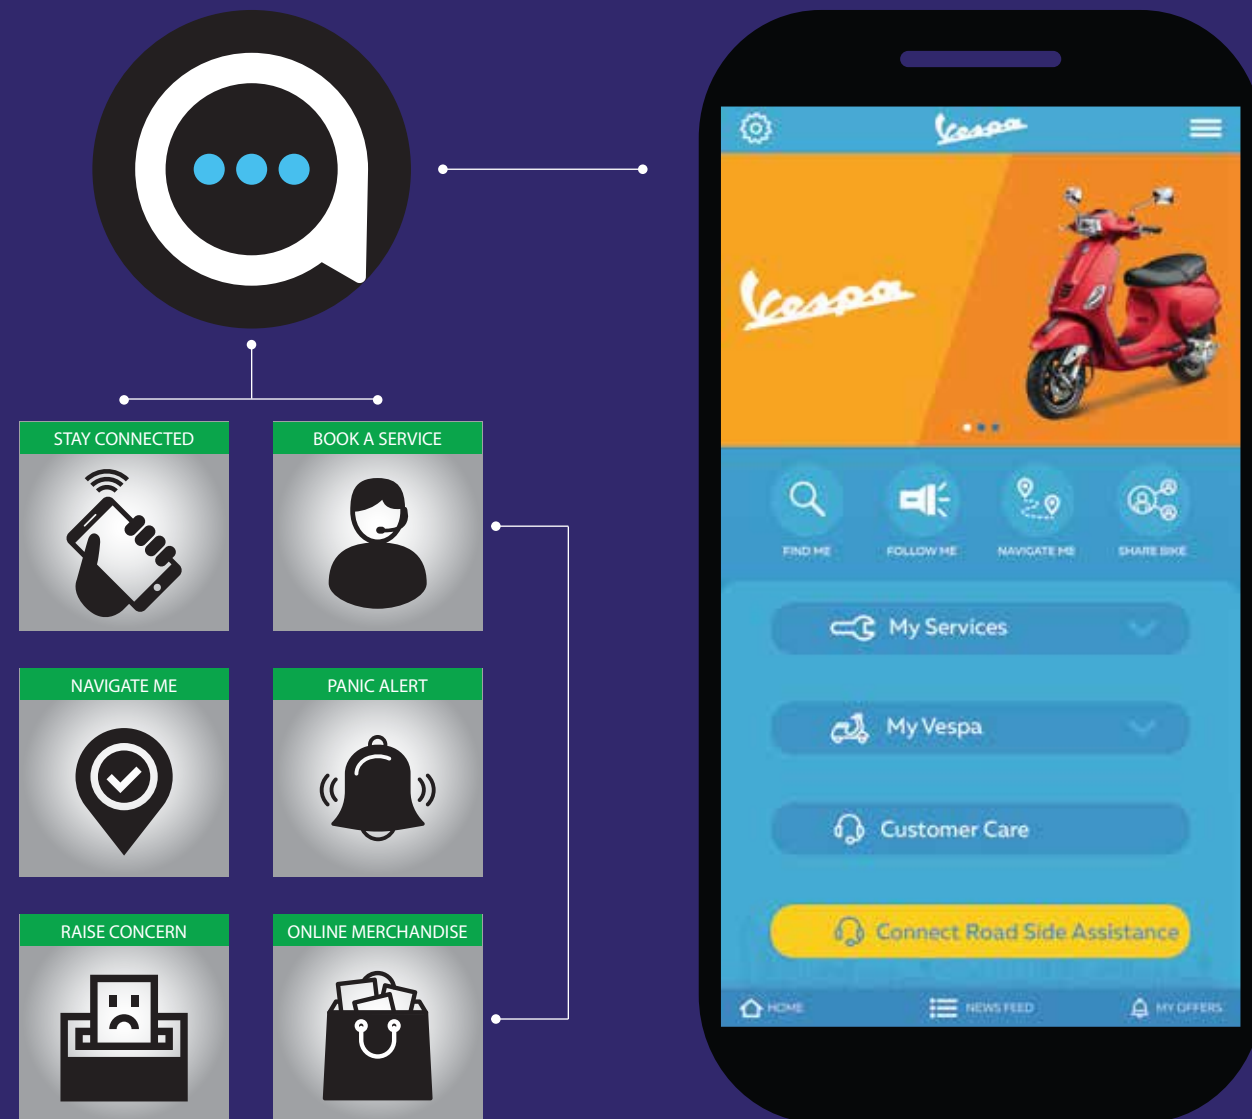

Vespa is a way of being and a state of mind, besides being a means of transport.

It embodies the approach to a spontaneous and young life typical of Vespa, that leads you to do everything that crosses your mind but in the Vespa way, with elegance, joy, style and healthy fun. Because if you have a Vespa, you can be yourself without thinking too much, just get on and go wherever you want, when you want. Do you feel it's the right moment? Off you go!

Vespa is the coolest way to make the most of your journeys because it is the vehicle that takes you to new and fascinating experiences that always give you something more. More than you expect, more than you think you know, more than you are used to living.

Now more than ever, be Vespa in everything you do.

LX

A modern day rendition of the original 1960s Italian scooter, the Vespa LX is the entry-level model in Piaggio's scooter line-up in India. The LX is offered in a single variant with a 125cc engine, which features round headlight, curvy body panels and a slightly forward leaning stance. The Vespa LX continues to embody the simple-looking original design philosophy that made retro scooters a favourite with scooter riders.
